### Secretary of Navy, Charles Sparks Thomas, Speaker at 92nd Commencement

#### NEW BUILDING TO HOUSE LIBRARY AND 3 CLASSROOMS

Dr. Henry L. Jacobs announces the addition of a new unit to the Campus group of twenty-two buildings now in use for College purposes. The new addition is designed to provide additional facilities needed to accommodate the influx of approximately 700 freshmen scheduled to arrive in September. This will be one of the largest freshmen classes to enter Bryant in recent years.

Our latest building addition is at 88 Benevolent Street and is within 100 feet of the present Administration Building. It is a substantially constructed brick building and was formerly a firehouse belonging to the city of Providence. It will be completely renovated inside and out with a central colonial doorway, tile floors, acoustical ceilings and washroom facilities for both men and women.

The building will contain three classrooms and will also house the College Library on the ground floor. The Library Fund held in reserve by the College, will be used for the purchase of additional books. This fund contains approxi-

## 1955 HOMECOMING BIG SUCCESS

Dr. and Mrs. Henry L. Jacobs welcomed several hundred alumni at the Saturday afternoon "President's Reception" in the "Ad" building and the Alumni Banquet and Dance at the Sheraton-Biltmore proved eminently successful with more than 500 attending. Guest speaker Sam Ramsay proved "tops" as a humorist and had his audience in stitches. Alumni honored with special citations are as follows: Mrs. Helen F. Goff '91, Miss Alice R. Anthony '91, Mr. Henry Herbert Eddy '93, Miss Myrtle E. Godwin '18, Miss Clara Gibbs '40, Mr. Walter L. Breard '17.

This year's new feature—the Friday alumni dance sponsored by the Greek Letter Council in the College Auditorium was extremely well attended. The new custom of having the fraternities and sororities hold their Saturday afternoon reunion as a group in the auditorium was judged to be a big improvement over the previous system using separate rooms in Memorial Hall.

The Alumni Council Homecoming Committee headed by President Ray H. Hawksley '29 deserves special mention for their excellent work.

## LEGAL SEMINAR

The College is grateful to the three alumnae employed by law firms in Providence who recently returned to the Campus to lead highly stimulating discussions with the Legal Secretarial Classes on legal secretarial work. A coffee hour followed the talks. The returning alumnae were: Miss Norma Slocum '52 of Worrell and Hodge; Miss Phyllis Verrill '53 of Hinckley, Allen, Salisbury and Parsons; and Miss Diana Petit '48 of Edwards and Angell. The arrangements for the seminar were made by Miss Priscilla M. Moulton, Assistant to the President and Supervisor of Secretarial Studies.

## Know Your Faculty

### DEAN LIONEL HENRY MERCIER, '30

Dean of the School of Business-Teacher-Training and of the School of Secretarial Science and Professor of Education and Accounting, Dean Mercier is actively engaged in training tomorrow's teachers and secretaries.

Born in Baltic, Connecticut, Lionel—better known as "Jack"—is the son of Henry and Alma Mercier and the oldest of their six children. His parents live in Plainfield, Connecticut. Jack graduated from the Plainfield High School in 1925 and from St. John's Preparatory School in 1926. He entered Bryant in 1928 partly earning his way by acting as coach of baseball and basketball. On his graduation in 1930 he became Manager of the Connecticut Craftsman, a monthly publication. Two years later he joined the faculty of the Farmington High School in Connecticut teaching business subjects and acting as Athletic Coach. In the evenings he taught at Moody's Secretarial School. Summer vacations he spent taking State Extension Courses at Yale University and at the Teachers' College of Connecticut in New Britain. He received the degree of Bachelor of Education from the latter institution in 1938.

In January, 1939 he was engaged by Bryant College to teach courses in Office Machine operation and Accounting and served in this capacity until 1945 when he was made Dean of the Teacher-Training and Secretarial Divisions. During this period he found time to attend extension courses at Boston University and at the Rhode Island College of Education. He received the degree of Master of Education from R.I.C.E. in 1945.

The Dean's primary interest is to better business education in the public schools. He says, "My vital concern is not so much with subject matter as with character building and the development in my students of proper attitudes, understandings, and appreciation of today's economic and social problems. The great need in today's high schools is a general business education for all students on a secondary level. We owe it to every future citizen to teach him something of human relations in the business world in which he will have to live his life and earn his living."

Dean Mercier is currently President of the Rhode Island Business Teachers' Association, and Treasurer of the Eastern States Association of Professional Schools for Teachers. He is also on the Rhode Island Institute of Instruction's Committee on Teacher Education and Professional Standards. An additional honor he recently received was the Vice-Presidency of the Barnard Club, an organiza-

## BRYANT REPRESENTED AT CONFERENCE

Your Alumni Secretary, Robert G. Drew-Bear, represented Bryant College at the American Alumni Council Conference at Bretton Woods, N. H. in June. The Honorable Lane Dwinell, Governor of New Hampshire, welcomed the 850 alumni secretaries and representatives from colleges in U. S., Canada, and Nova Scotia. The organized group sessions were extremely effective in facilitating the exchange of ideas and experiences relative to the management of alumni affairs. For example, our new Bulletin "Mast head" with letters standing out in white, grew out of a consultation with Amato Tommasini, nationally-known expert on magazine layout.
